

Your Command Center for Occupational Health and Safety

Spotalign OccDoc

Simplify the complexity of workplace health management with Spotalign OccDoc, a SaaS platform designed to centralize access to your occupational health and safety programs. From injury reporting to medical exams and health screenings, our dashboard gives you real-time access to the data you need — right when you need it.

What Spotalign OccDoc can do for you

Whether you're overseeing a workforce of ten at one site, or thousands across multiple locations, our platform brings management clarity, control, and compliance to your health and safety programs. No more scattered records or delayed updates — just one secure, streamlined system that helps you stay proactive, compliant, and ready for anything.

- **Centralize** injury reports, medical exams, and drug & alcohol screenings
- **Track** worker certifications and OSHA compliance in real-time
- **Automate** alerts for expiring medical clearances
- **Share** compliance data instantly with authorized company personnel and authorized third-parties such as plant owners
